
Thomas M. Daly

Current Responsibilities

Tom is the Managing Partner of Horseshoe Insurance Advisors US LLC located in Wilton, CT. He is also responsible for the development of the claims consulting activities as well as litigation support and runoff management activities.

Experience

Tom has 30 years of experience in handling casualty and property insurance and reinsurance claims. He has a demonstrated track record and expertise in:

- Property including Personal, Commercial and Property Catastrophe business
- Professional Liability including Architects and Engineers, Lawyers E&O and Medical Malpractice business.
- General Liability, Excess/Umbrella and Workers' Compensation accounts
- Oversight of Third Party Administrators
- Due diligence and acquisitions
- Pre-quote, active and runoff claims reviews
- Dispute resolution and reinsurance arbitrations

Prior to joining Horseshoe Group, Tom held various positions in both insurance and reinsurance company operations and consulting.

Tom was most recently founder and president of Reconnaissance Worldwide LLC, a specialty insurance and reinsurance consulting firm. His roles and responsibilities included the following:

- The management and oversight of two third party administrators handling nationwide worker's compensation claims.
- The performance of operational reviews and reserve adequacy studies.
- Litigation and Mediation support.
- Expert witness and claim review.

Prior to Reconnaissance, Tom was Senior Vice President of Claims and Administration for Alea Group located in Wilton, CT. During that time, he had the following roles and responsibilities:

- The management of the claims operation, handling both treaty reinsurance claims and fronted business.

-
- The oversight and audit of all third party administrators handling amongst other things, workers compensation, ocean marine, general liability and other specialty accounts.
 - The day to day management of all administrative activities including the review of company policies and procedures, vendor selections and landlord/lease issues.

Before Alea, Tom was a Senior Vice President in charge of claims and administration for the Chartwell Reinsurance Company located in Stamford, CT. During that time, Tom participated in numerous due diligence projects for prospective acquisitions. He was also responsible for the claims emanating from both the insurance program business and treaty and facultative business.

Tom has significant experience in handling both asbestos and environmental claims and created the Environmental Unit at Chartwell subsequent to the acquisition of the Reinsurance Company of New York.

Tom began his career as a field claims adjuster for Liberty Mutual Insurance Company handling various construction and marine accounts. He was also a court adjuster responsible for monitoring trials and negotiating/settling pending litigation.
