## Gordon Paterson, F.C.C.A.

---

### ***Current Responsibilities***

Gordon Paterson is a Group Manager in the Horseshoe Fund Services group. His responsibilities include managing a team of fund accountants and a number of client relationships. In addition to reviewing NAV calculations and ensuring client deliverables are met, he manages fund launches and the implementation of new clients.

### ***Experience***

Gordon has 20 years of experience in the financial services industry including 13 years of fund administration experience and expertise in:

- Accounting Services
- Audit (US GAAP & IFRS)
- Fund Administration
- Investor Services

Gordon joined Horseshoe Fund Services group in September 2017 as a Group Manager with overall responsibility for managing a group of staff providing fund accounting services to a portfolio of clients. Prior to joining Horseshoe, Gordon was Head of Operations for Equinox AIS (Bermuda) Ltd (2012-2017) where he managed the fund accounting and investor services operations for both traditional Hedge and ILS Funds. Prior to Equinox, he worked at Citi Hedge Fund Services Ltd (2004-2012) as Assistant Vice President within the Fund Accounting department.

Gordon's earlier experience was with Richard G. Beattie & Co., Chartered Accountants in Scotland where he spent over 6 years as an Audit Senior.

### ***Professional Designations***

- Fellow of the Association of Chartered Certified Accountants

### ***Education***

- Bachelor of Arts (Honours) in Accountancy, Glasgow Caledonian University, Scotland

### ***Languages***

- English
