
Jason Michel

Current Responsibilities

Jason Michel is a Group Manager in the Horseshoe Fund Services group. His responsibilities include managing a team of fund accountants and a number of client relationships.

Experience

Jason has over 9 years of fund accounting experience and expertise in:

- Fund Administration
- Accounting Services
- Investor Services
- Quarterly Reporting & Regulatory Statements (US GAAP & IFRS)
- Audit
- Net Asset Valuations
- New Client Implementations

Jason joined IKONIC Fund Services USA, Inc. (IFSL), now Horseshoe Fund Services USA, Inc., in September 2013 and is responsible for providing fund accounting and investor services to a portfolio of clients. Prior to joining IFSL, Jason has over seven years of experience in alternative investment accounting that he gained working with JD Clark & Company (now UMB Fund Services), another fund administrator based in Ogden, Utah.

Jason has experience working with hedge funds, funds of funds, private equity funds, and many forms of equities and derivatives. He has overseen new client implementations and assisted with fund launches. He has also helped with system development at both Horseshoe and JD Clark.
