
Keenan Press

Current Responsibilities

Keenan Press is Senior Vice President of Investor Services. He is responsible for managing the day to day operations of the Investor Services team, and for overseeing the delivery of a full range of investor services to clients.

Experience

Keenan has over 13 years of fund administration experience and expertise in:

- Investor Services
- New client implementations
- System development and conversions
- Fund Administration
- Internal controls and procedures
- Compliance and Anti-Money Laundering

Keenan joined Horseshoe Fund Services in August 2017. Prior to joining Horseshoe, Keenan worked with Continental Management Limited as a Senior Manager with overall responsibility for the firm's compliance operations. Prior to this, he held roles with Opus Fund Services as Senior Vice President, Head of Implementation and Client Relationship Management and with Dundee Leeds where Keenan was VP, Head of Investor Relations. From 2004 to 2006, Keenan worked as a Manager in BNY Mellon's Investor Relations team. Prior to moving to Bermuda, Keenan worked with RBC Royal Bank in Canada for 2 years.

Throughout Keenan's experience in Investor Services, he has gained significant exposure to varying aspects of the industry, in addition to the management of daily operations. He oversaw Dundee Leed's expansion into the Canadian market and led the software selection process, testing and implementation of a new Investor Services system. During his time with Opus, he represented the firm at several hedge fund conferences and developed an electronic-based procedures workflow to manage the implementation process. He also has extensive experience in various Investor Services platforms from standard use through to working with technology and operations teams on enhancements.
