
JB Crozet

Current Responsibilities

JB is Senior Vice President Advisory Services & Head of London Office.

He is responsible for the delivery of actuarial and advisory services to our clients across ILS fund administration and insurance management.

JB also heads up our London office which services our clients in the London Market and Europe.

Experience

JB has more than 20 years of experience the (re)insurance, as an actuary and reinsurance underwriter in London and Bermuda.

He has a demonstrated track record and expertise in:

- Actuarial pricing, reserving and capital modelling
- Structured reinsurance & ART underwriting
- Catastrophe modelling & exposure management
- Credit risk modelling
- Portfolio management & strategy

Prior to joining the Horseshoe Group, he headed up the Underwriting Modelling function at MS Amlin having responsibility for pricing, catastrophe modelling and exposure management across the group.

Before that JB was previously an associate director in the actuarial practice of PwC London and a vice-president underwriting at Alea and Overseas Partners in Bermuda.
