Press Release – Horseshoe Fund Services Selects AltaReturn’s Private Equity Software Platform

Hamilton, Bermuda, November 20, 2018 Horseshoe Fund Services has selected the private equity and venture capital platform of AltaReturn, a leading provider of cloud-based, end-to-end software solutions for the private equity, venture capital and real estate industries.

Brian Desmond, Head of Fund Services, commented, “We are committed to providing our clients and their investors with the highest quality client service experience in the industry. The choice to partner with AltaReturn reflects this commitment and we are very excited to be adding what we consider to be the best technology in the market place to our deeply experienced private equity team”.

Scott Burns, SVP Head of Private Equity added, “We undertook an in-depth analysis of the top private equity and venture capital software solutions and AltaReturn was the clear choice. This industry leading software solution will enable Horseshoe to continue providing our clients and their investors with a leading technology platform and meet the ever increasing reporting and transparency demands of the industry.”
